

People and the Earth

There are many **people** on the Earth.

They live on different **continents**.

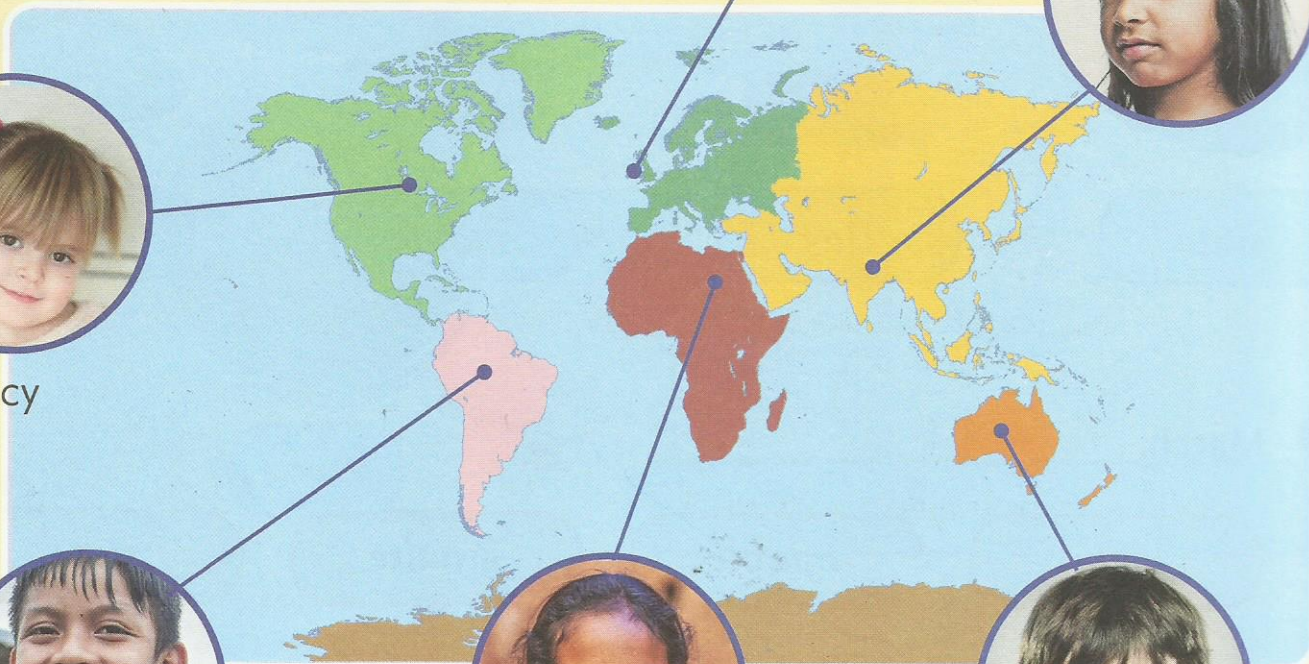

Dan

Priyanka

Lucy

Marcos

Amina

Jack

► Observe

1 Talk to a partner.

- On which continent do the children live?
- On which continent do you live?

Where does **Marcos** live?

Marcos lives in **South America**.

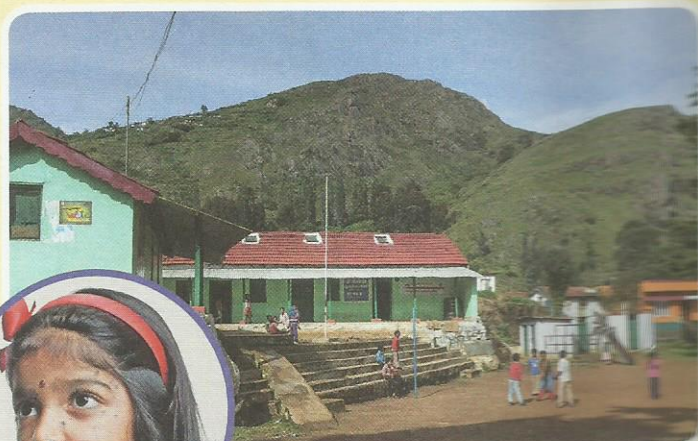

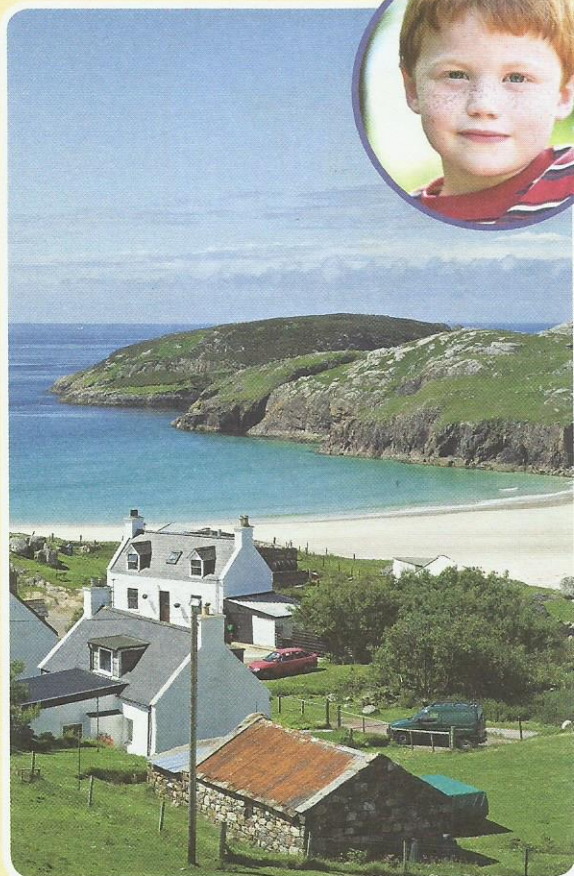

Key words

- beach
- forest
- mountain
- river
- valley

The continents have different **landscapes**.

My house is near a beach.

My school is near a mountain.

- 2 How is the landscape where you live?
Draw a picture.

A large, empty rectangular box with a yellow border, intended for the student to draw a picture of their own landscape.
