Hello, I'm Rebecca. I'm in my grandparents' ¹ garden.

They've got a big garden with lots of delicious fruits and ² vegetables. I like helping them. There are some cabbages in the garden. The snails like the cabbages, but Grandma doesn't like the ³ snails! They eat the plants. There's an insect hotel in the garden too. It's made of sticks and the ⁴ insects live inside. Grandma has a compost bin with ⁵ worms in it. They make food for the plants. There are lots of colourful ⁶ flowers in the garden. I'm taking some home for mum and dad.
