Circle the right word:

Don't know much about **history / maths**,
don't know much **biology / chemistry**,
don't know much about a science **test / book**,
don't know much about the **French / German** I took,
but I do know that I love **her / you**,
and I know that if you love me too,
what a wonderful world this would be.

Don't know much about **geography / geometry**,
don't know much trigonometry
don't know much about **technology / algebra**,
don't know what a slide rule is for
but I do know one and one is **two / three**,
and if this one could be with you
what a wonderful world this would be.

Now I don't claim to be an 'A' student,
but I'm trying to **be / study**,
for maybe by being an 'A' student, baby,
I can win your love for me.

Don't know much about **history / maths**,
don't know much **biology / chemistry**,
don't know much about a science **test / book**,
don't know much about the **French / German** I took,
but I do know that I love **her / you**,
and I know that if you love me too,
what a wonderful world this would be.

La ta ta ta ta ta ta (**history / maths**)
Hmm-mm-mm (**biology / chemistry**)
La ta ta ta ta ta ta (**test / book**)
Hmm-mm-mm (**French / German** I took),
Yeah, but I do know that I love **her / you**,
And I know that if you love me, too
What a wonderful world this would be.

Slide rule: a maths instrument

I don't claim to be: I don't say that I am

'A' student: a very good student
