- Where did the Iberians live? The Iberians lived in the south and east of the Iberian Peninsula.
- Where did the Celts live? The Celts lived in the north and centre of the Iberian Peninsula.
- Name three characteristics of the Iberian people and three characteristics of the Celtic people.

CHARACTERISTICS OF THE IBERIAN PEOPLE	CHARACTERISTICS OF THE CELTIC PEOPLE
The Iberians were organized in tribes and they lived in fortified settlements,	The Celts were organized into tribes and they lived in walled towns called forts
They worked as crop and livestock farmers and some of them were craftsmen.	They were farmers and they were specialists in making iron and bronze.
They used their own money for trading.	The Celts did not know how to use money or how to write.
