WORK WITH THE PICTURE

- I can see bison, deer and horses.
- The painting from the Altamira Caves (picture A) show more realistic animals.
- The painting from the Altamira caves (picture A) uses the most colours.
- The painting from the El Cogul caves (picture B) shows people.
- The painting from the El Cogul caves (picture B) shows is Palaeolithic because it only has one color and it is simple.
- The painting from the Altamira Vaves (picture A) is Neolithic because It uses various colours and it is realistic
