

The Five Senses

The Five Senses

give the body information through

NAME THREE THINGS YOU CAN (ejemplos de respuestas)

Touch/feel	Smell	See	Hear	Taste
<u>a water bottle</u>	<u>perfume</u>	<u>a rainbow</u>	<u>music</u>	<u>pizza</u>
<u>a pet (cat, dog...)</u>	<u>food</u>	<u>a movie</u>	<u>people talking</u>	<u>coffee</u>
<u>a computer</u>	<u>flowers</u>	<u>a book</u>	<u>laughter</u>	<u>ice cream</u>

I **love** the smell of flowers
 I **hate** the sight of spiders
 I **love** the feel of my dog
 I **like** the taste of pizza
 I **love** the sound of Spanish music

Which is the odd one out? (¿Cuál es el impar hacia fuera?)

1. bitter	sweet	salty	water
2. coffee	chicken	tea	milk
3. olive oil	rice	pasta	bread
4. tomato	pepper	strawberry	broccoli

Describe your room using your senses. What can you hear, see, smell, touch and even taste?

In my living room (sala), I can **see** the couches and the table. I can **hear** music from my neighbor (vecino). I can **smell** lunch cooking in the kitchen. I can **touch** the keyboard (teclado) of my laptop. I can **taste** the tea that I'm drinking.
