

## ENGLISH TASK 26th MAY

### CLASS BOOK PAGE 58.

Mayor Rooftops asks Tara, Ben, Dex and May to make the month's project. It consists in collecting information about foods that are especial to them and their family and the community in Rooftops. They have to upload to the community website to share the information with friends around the world.

**CLASS BOOK PAGE 58 . EXERCISE 1.LISTENING 1.** The children are talking about the project. **Which foods do they mention?.** Listen and copy in your notebook the foods from the box they mention. You have the listening in the website and in Moodle.

**EXERCISE 2.** Listen again. Copy the sentences in your notebook and write True or False

**EXERCISE 4. GRAMMAR.** Read and copy in your notebook about Tara, Walid and Marco. Choose the correct option.

**5 Lessons 9 & 10 Review & Skills**

To: Tara, Ben, Dex, May  
This month's project is to collect information about foods that are special to you and your family and the community in Rooftops. Please upload the information to the community website to share with our friends around the world.  
*Mayor Rooftops*

**Listening**

1 The children are talking about the project. Listen. Which foods do they mention?  
Use your notebook.

burgers bread ice cream chillies cake chocolate sugar flour  
rice noodles cheese chips jam butter eggs olive oil

2 Listen again. Read and say True or False.

- 1 There isn't any Thai cheese.
- 2 There are some burger restaurants in Thailand.
- 3 In Thailand people eat bread with butter and jam for breakfast.
- 4 May thinks that Thai food has got too many chillies in it.
- 5 May's favourite food is Thai fishcakes.
- 6 May's dad is a chef.

**Grammar**

4 Read and say the correct word.

Tara: Hello, friends! In Britain we enjoy food and drinks from all over the world. Tell us about your favourite food and drinks!

Walid: My favourite drink is tea. In Britain people usually drink tea with **a little / a few** milk. In Tunisia we drink a special kind of tea. It's called mint tea and there **is / are** lots of sugar in it. It's delicious!

Marco: In Greece there are **some / any** small burgers called koftas. They are my favourite food. There **is / are** meat in them, and there are **a few / a little** herbs and spices. I like to eat koftas with rice.
