My favourite food is a delicious dessert called a pavlova. It's named after a ballet dancer called Anna Pavlova! Pavlova is sweet. My favourite type of pavlova is strawberry pavlova. To make pavlova, you need six eggs, a small packet of sugar, a pot of cream and lots of strawberries!

The outside of the dessert is called a meringue. It's made from the eggs and the sugar. My mum makes pavlova in the summer when there are lots of strawberries.

EXAMPLE: My favourite food is sweet. It is called in Spain "Tarta de la abuela". It is a traditional chocolate cake with biscuits. It is one of my favourite dessert but I love baking and eating cakes. This cake tastes sweet and delicious.

To make this cake you need toasted biscuits, chocolate, custard, whipped cream and sometimes I add a layer of strawberry jam. You can wet the biscuits with milk and a little cinnamon.

There are many options to make it. The original one is easy to make. I love decorate cakes and I prepare it at birthdays and all kinds of parties and when I go to a restaurant I usually ask for this home-made cake. Yummy!!!
